Dear Elaine,

Thanks again for all your special efforts supporting our event with Supreme Court Justice Sonia Sotomayor. It's deeply appreciated.

I enjoyed meeting your designer, Michelle, visiting your store, and discussing the beautiful Puerto Rican stage display. It was a point of pride to mention from the podium "the flowers from Elaine's Florist", flowers from the Justice's family roots, the orchids, red opals, ginger, and heliconia, as well as the tropicals.

I hope you'll share our pride in providing an important experience for Justice Sotomayor and the Houston community. Our team provided the national launch event for her memoir, *My Beloved World*, which debuted on *The New York Times* bestseller list as number one.

You can see a recording of the event on C-Span Book-TV at their website where I hope you'll be able to catch a glimpse of your stage work.

We have deeply appreciated your support over the years. Your work is always beautiful, your deliveries are always on time, we don't worry.

Thanks again for your support. All the best,

Sincerely,

Randall R. Morton
